ICT performance tasks

For primary four

General instructions:

- The task takes two classes (a period).
- The teacher distributes the task papers to the students and explains what they mean.
- The teacher oversees the stages of carrying out tasks during the quotas allocated to it.
- Students answer what is required of the task in the same paper.
- There is nothing wrong with a student using the textbook if he or she wants to.
- The task is corrected from 35 degrees as shown in the following table.

Stage	Planning	Dedication	Final Product	Final Mark
Mark	5 Marks	5 Marks	25 Marks	35 Marks

ICT PERFORMANCE TASKS

Student’s name:
